Members are encouraged to work with Legislative Counsel and Committee staff in drafting their amendments. While Members may file amendments, in writing, at any time prior to or during the markup, the Chair prefers amendments to be pre-filed. This will enable all Members to have sufficient time to review the amendments. Please be aware of this.

- Amendments filed 24-hours prior to the markup will be given priority consideration at the markup.
- The Chairman may refuse a unanimous consent request to consider the amendment as read if it is not filed and in compliance to the 24-hour prior deadline.
- Amendments filed after the deadline may not be distributed to Members until the start of the markup.
- Amendments drafted and offered after the initiation of the markup may necessitate the Chair recessing the markup to enable Committee staff to copy and distribute such amendments.
- All amendments must be in writing.

If you have any questions, please contact Emma Ver Hage, Committee Clerk, at Emma.verhage@mail.house.gov or at 202-225-5821.
