TO: Members, Subcommittee on Innovation, Entrepreneurship, and Workforce Development

FROM: Jason Crow, Chairman

DATE: Thursday, March 24, 2022

The Committee on Small Business Subcommittee on Innovation, Entrepreneurship, and Workforce Development will hold a hybrid hearing titled: “Skill, Upskill, and Reskill: Analyzing New Investments in Workforce Development.” The hearing is scheduled to begin at **10:00 A.M. on Thursday, March 31, 2022 in Room 2360 of the Rayburn House Office Building.** Participating members can also join remotely via **Zoom**.

Despite the labor market recovering most of the jobs lost during the Covid-19 pandemic, there has been an ongoing labor shortage since mid-2021. This has particularly impacted small firms, that had already been struggling with recruiting and retaining a skilled workforce. This hearing will examine the factors contributing to the workforce shortage and discuss potential solutions, including changes to the workforce development system, the bipartisan Infrastructure Investment and Jobs Act, and other proposals.

A staff briefing will be held at 2:00 P.M. on Monday, March 28, 2022 through Zoom.

If you or your staff have questions, please contact Matthew Bowman, Senior Professional Staff Member for the Committee.
