

Congress of the United States
U.S. House of Representatives
Committee on Small Business
2361 Rayburn House Office Building
Washington, DC 20515-6515

NOTICE OF HEARING
July 16, 2020
1:00 PM (EST) CISCO Webex

TO: Members, Subcommittee on Innovation and Workforce Development
FROM: Jason Crow, Chairman
DATE: Thursday, July 9, 2020

The Committee on Small Business Subcommittee on Innovation and Workforce Development will meet for a hearing titled, “Putting America Back to Work: The Role of Workforce Development and Small Business Rehiring.” The hearing is scheduled to begin at **1:00 P.M. on Thursday, July 16, 2020**, via webcast and dial-in (information to be provided).

Since March, over 45 million Americans have applied for unemployment and some experts estimate that many of these jobs will not return. Many of the new jobs that are created to replace the old ones may require different skills for which workers may not be trained. Unfortunately, many of the workforce development programs in America have been severely underfunded for years, creating additional challenges in responding to mass unemployment. This hearing will analyze federal programs intended to develop the nation’s workforce and allow Members to hear from experts and officials about how to put Americans back to work.

This hearing will take place remotely via Cisco Webex video conferencing. Members of the public may view the hearing via live webcast available at smallbusiness.house.gov. The webcast will not be available until the hearing starts.

A staff briefing will be held at 4:00 P.M. (EST) on Monday, July 13, 2020 in Cisco Webex.

If you or your staff have questions, please contact Matthew Bowman, Professional Staff Member for the Committee.
