NOTICE OF HYBRID HEARING

July 27, 2021

10:00 A.M., Zoom/ 2360 Rayburn House Office Building

TO: Members, Subcommittee on Innovation, Entrepreneurship, and Workforce Development

FROM: Jason Crow, Chairman

DATE: Tuesday, July 20, 2021

The Committee on Small Business Subcommittee on Innovation, Entrepreneurship, and Workforce Development will hold a hybrid hearing titled: “Wealth for the Working Class: The Clean Energy Economy.” The hearing is scheduled to begin at **10:00 A.M. on Tuesday, July 27, 2021 in Room 2360 of the Rayburn House Office Building**. Participating members can also join remotely via **Zoom**.

The clean energy economy has seen robust growth in recent decades and now presents the opportunity for widespread wealth creation that benefits American small businesses, their workers, and consumers. It has the potential to create millions of good-paying jobs spread across tens of thousands of businesses while simultaneously lowering energy prices for consumers. This hearing will focus on workforce development initiatives in the clean energy economy, discuss Congressional proposals regarding clean energy, and explore the potential for the growth this industry could unleash.

A staff briefing will be held at 2:00 P.M. on Monday, July 26, 2021 through Zoom.

If you or your staff have questions, please contact Matthew Bowman, Professional Staff Member for the Committee.
