10:00 A.M., Zoom/ 2360 Rayburn House Office Building

TO: Members, Subcommittee on Oversight, Investigations, and Regulations

FROM: Dean Phillips, Chairman

DATE: Wednesday, October 13, 2021

The Committee on Small Business Subcommittee on Oversight, Investigations, and Regulations will hold a hybrid hearing titled: “Global Supply Chains and Small Business Trade Challenges.” The hearing is scheduled to begin at **10:00 A.M. on Wednesday, October 20, 2021 in Room 2360 of the Rayburn House Office Building**. Participating members can also join remotely via **Zoom**.

The COVID-19 pandemic exposed many weaknesses in the global supply chains that small businesses rely on to provide goods and services. As the economy recovers, small firms and consumers alike face product shortages and transportation delays that can hinder a strong recovery. The hearing will allow Members to examine the issues causing disruptions, challenges small entities face in adjusting to the disruption, and steps Congress can take to strengthen supply chain resiliency.

A staff briefing will be held at 2:00 P.M. on Monday, October 18, 2021 through Zoom.

If you or your staff have questions, please contact Michael Stein, Counsel for the Committee.
