NOTICE OF HEARING

December 4, 2019

11:30 A.M., 2360 Rayburn House Office Building

TO: Members, Committee on Small Business

FROM: Nydia Velázquez, Chairwoman

DATE: Wednesday, November 27, 2019

The Committee on Small Business will hold a hearing titled, “Embracing Corporate Social Responsibility: Small Business Best Practices.” The hearing is scheduled to begin at **11:30 A.M. on Wednesday, December 4, 2019 in Room 2360 of the Rayburn House Office Building.**

For decades, small businesses have been leaders in delivering value for their communities, but they can face resource constraints in their efforts to scale up their sustainability practices. This hearing will examine how small businesses can integrate best practices that promote social good and sustainability at all stages, either as part of an initial business plan or later in the life of their company, and assess how the federal government can support and empower small business owners to not only make a profit, but be forces for social good.

A staff briefing will be held at 2:00 P.M. on Monday, December 2, 2019 in Room 2360 of the Rayburn House Office Building.

If you or your staff have questions, please contact Matthew Bowman, Professional Staff Member for the Committee, at 202-225-4038.
