NOTICE OF HYBRID HEARING

July 2, 2020

9:00 AM (EST) 2360 RHOB and CISCO Webex

TO: Members, Subcommittee on Economic Growth, Tax, and Capital Access
FROM: Andy Kim, Chairman
DATE: Friday, June 26, 2020

The Committee on Small Business Subcommittee on Economic Growth, Tax, and Capital Access hybrid hearing entitled “Supply Chain Resiliency,” has been rescheduled and will take place at 9:00 A.M (EST) on Thursday, July 2, 2020. This hybrid hearing will take place in room 2360 of the Rayburn House Office Building. Members who wish to participate remotely may do so via Cisco Webex, information to be provided separately.

During the economic disaster caused by the COVID-19 pandemic, many small firms were left vulnerable to severe global supply chain disruptions. As the U.S. economy recovers, it is important we take steps to ensure greater supply chain resiliency in the face of future disasters. Members will hear from small business owners and experts about steps the federal government can take to ensure more resiliency and focus on ways we can correct the vulnerabilities of small firms and utilize their strengths moving forward.

Members of the public may view the hearing via live webcast available at smallbusiness.house.gov. The webcast will not be available until the hearing starts.

A staff briefing will be held at 4:00 P.M. (EST) on Monday, June 29, 2020 in Cisco Webex.

If you or your staff have questions, please contact Matthew Bowman, Professional Staff Member for the Committee.
